Hi Rob! How are you doing? I everything okay? New town is so exciting. I've never seen such a gorgeous place before! However it's still not my fave! here even though there are so many places to go. I will tell you about some of them.

As you remember this town is placed near the lake about a year ago a new bridge was finished. I have gone to this bridge only once since it was opened and I enjoyed it.

There are a lot of things to do. You can play soccer, basketball, tennis, even football. Places to play soccer, volleyball and basketball and gym are all located near the bridge. Bridge is also a good place for local musicians to express themselves.

Central park is also a similar place. A lot of cafes there old and new ones too. The really diverse menu.

As for entertainment, there are a lot of attractions for example all kinds of roller coasters. Some of them are really fun, but the others may scare you. I myself don't enjoy them so much. Some of them are too extreme for me. If you are tired of physical activities you can visit cinema or library. Choice of books and movies is enormous. All these genres you're interested can be chosen by you.

Oh and did I mention gaming clubs? It's also in my list of places you should visit when they come to our town. Just like video games and books you can choose any genre you want.

My list contains only small part of entertaining places of our town. Hopefully we will discuss even more with you!

See you later goodbye!

With best wishes your friend,

Arlan.

Hello Rob! Yes, I love my new house. It is pretty beautiful and full of amazing  
buildings. To be honest, it more looks like a village, but almost everything  
right now is closed because of the coronavirus and I wanted to go to the  
shops but couldn't. I would love to show whole town, so please come  
next week! I'll show you the most popular town place in this town.  
I am very excited and waiting for you.

Hey Rob! Thanks for asking and worrying about me! It's really hard to live in New-York. The first week I tried to bear the awful smell in the subways, but at least it was easy for me. Sometimes you can see some strange people while you waiting your train at in the subway. They are smoking a lot and this cigarette smell was everywhere. I saw a rats for the first time in the New-York, exactly. But thank god, they are not approach eating too often. Anyways I like to live in NYC. These huge skyscrapers is blowing up my mind! Their architectural style is really impressive, especially the old ones, which was built in Chicago - School style. I have some trouble with money right now, so if I live on the Brighton beach, although it ~~isn't~~ doesn't help me, it's too expensive yet. I want to move in Chelsea district, so I need save some money. By the way there is a lot of things that you like in the New-York. If you want can make pretty nice present for you, just give me a sign! So, New-York city is very big and I think we should hang out with all of our friends. Even if it will be once! Have a nice day! - Andrey.

Hello, dear Pat! I'm really happy to read your email. How is it going? Yes, I'm so want to buy some new clothes. I do not have good clothes for spring. I am going to go together and buy some clothes. I recommend to you go to shop with stylist. Because we need stylist's help. Firstly, he know all about good shops. Secondly, he know all about new style. Thirdly, we spend the money only on clothes which we needed. I like to wear beautiful and comfortable clothes. What about you? I can tell you my favorite clothes shop is central park. It sell very good clothes. I think in next weekend we meet to go on shopping together.

 Hi Rob! Thanks for your email. Yes, you're right, I moved to a different town. And I want to tell about my thoughts.  
 In fact, honestly, I didn't like my new house. It seems tiny and cold. I used to live in our old house but we moved suddenly. In real, our house is very cozy. There are a lots of different rooms (I took the big one here).  
 So, I changed my school, too! On my way to the school, there are big buildings and I was really surprised to see. My new school is international so we speak English only. I have a lots of amazing friends, they helped me with pronunciation.  
 Our new town is bigger than the previous one. The buildings are very colorful. We even have the building with rainbow colors! It's so beautiful.  
 So, this is my first impression of our new town. I hope you like it and come whenever if you can. Stay healthy and don't forget to call me. Bye!

Hi Pat. Of course we can buy new clothes. we just have to choose the best time for it. I will be free at weekend. About my clothes, I always dress up in a same style. I don't wear skirts or dresses. I only wear t-shirts, trousers, shirts, pullovers, hoodies, jeans, belts and accessories. The main colours in my wardrobe are black, white and dark-blue. I own a few purple hoodies, tho.

Usually, I don't buy clothes in the city, but I order it online. The most of my clothes are from V&S&P shop, N.kifilini. But when I have lived in Germany, I often bought things in H&M. Unfortunately, we don't have this shop in city.

But in case, if you want to buy clothes in city, we can go to Defacto, maybe you'll like something.

As I said, we can meet at weekend, especially after-noon. I will be waiting for you on our place, if you can go.

See you later

Some young people in my country aren't very healthy. How much sleep do you get every night? Do you eat well?

From: Daniya

TO: Hollie

Hi... Dear Hollie! Yes we have the same problem! Most of the people aren't healthy too. I think they need to control their health and their lifestyle. You can be sure about my and my health. I usually do sport, like dancing or playing football with my close friends. I always sleep very good and I don't have any problems with it. I go to sleep at 10 o'clock and wake up at 7 p.m. to go to school. Sometimes I need to get a nap to get more energy. So my daily day is quite good and full of plans! What about you Hollie? You need to be strong. Also you're eaten food is very important to our health, for example I don't eat any fast food and my life become easier than it was. So your shape in your hands let's change our life. Control yourself. Goodbye my Dear Hollie I hope you become stronger. Waiting for your reply.

Hi dear Hollie! I have read your email and I want to that the situation in my country is the same. Every second people had unhealthy habits, eats harmful food and drinks sweet soda. It is sad to see. But, I am proud of myself, because I started to change my lifestyle. I want to share you how it is going.

Firstly, I don't eat salty snacks and sweets. I'm already eating healthy about three weeks. It is probably my record and I want to let it forward.

Secondly, I made myself sleep for 9 hours every night. Honestly, it wasn't hard for me, I love to sleep a lot.

And finally, I'm going to go to gym. It's the most scary step for me. Because I don't like sport at all. But I think I should do this.

I hope I could give you motivation for being healthy. I wish you a luck! Goodbye!

Love Adiya

Hi, Well it depends on when do you want to do that because I might be busy that day. So I think we should discuss that but I would be happy to buy some clothes with you.

By the way I know few clothes shops that you might want to see. As you know I love wearing oversize clothes as much as you do so we can go to "H&M" and "Zara" and see if we find something good there. Actually these are my favorite malls in our town because they sell Harry Potter styled stuff and it is not that expensive. I know that you're obsessed with Harry Potter so you will definitely love these.

Speaking about when we can meet to go there. I think we can meet this weekend and go shopping because both of us will be free then. I'll wait until you answer. Bye.

**Comments**

Hi, Hollie! I'm so happy that you send me an email!! That's very interesting questions. I'm gonna write my answer!

I agree, there's actually a problem with teenagers and kids not being healthy. That's a huge problem.

Health is the most important thing in my life. I care about my body alot. I always try to stay fit and healthy. My rule number one is: eating healthy and drink two bottles of water every day. Yeah, I know it sounds easy, but it's not. You always have to control what and when you eat. I don't eat sugar much also.

I usually eat four times in a day and my favourite meal is breakfast! I pay a lot of attention to what I eat in the morning. However, I have cheat days when I once a week eat sweets and fast food.

What about my sleep? I love to sleep. It's my favourite thing to do when I'm bored. I sleep eight hours at night, and two at every night and two hours after school. That's how I relax.

To stay fit, I have to go to the gym and do exercise every day. I use my phone to play music and then I run or just do some cardio exercises. One of my favourite ways to do cardio is jumping rope. It's very fun and also the most effective cardio exercise.

Then, I do my full body workout. I enjoy doing them and I love seeing progress in my body.

After all of my workouts and exercises, I drink protein milkshake. Protein is so important and it helps grow muscles faster.

Well that's it! To stay healthy, in my opinion, you have to eat healthy and do some exercise to stay fit.

Hollie, thank you for your email! I would like to hear your opinion on this topic!

Bye, your lovely friend, Anna!

Hello HOLLIE! How are you? I read your email and now I will try to answer your question.

Yes, you<sup>are</sup> right, young people ~~are~~ are not very healthy nowadays. Because they do not do sport and eat junk food. It's wrong way to be healthy. Now I will tell you what to do to stay healthy and fit. Every day, when you get up from your bed, you need to do some exercise to ~~feel~~ feel yourself cheerfully. I ~~always~~ do sport every day, when I get up, and then, in the evening. It helps me to stay fit. ~~So you can~~ I usually sleep 8 hours every night, it helps to be healthy too. If people sleep 8 hours ~~that~~ next day in the morning he will feel himself cheerfully.

Yes I eat very well. The most important thing is to eat just healthy food. Because if you eat junk food you will get fat and ~~no~~ you will be unhealthy. So I advise you to eat just healthy food. For example, fruits, vegetables, etc.

So, I hope I write you right answer!  
If you will have free time, call me

Good bye, your friend  
Daria

Hi Hollie! How are you? How things are going? I'm fine, thank you for your email. I'm glad to hear it from you. Sorry for not answering earlier. I was stressed by my exams. I would like to answer on your questions in this email.

I think that healthy and fit people eats a lot of vegetables, drinks a lot of water and do sport every day. What about me?

I'm trying to sleep 8 hours every night because of the reason that I'm teenager and for us it's very important. Every day I'm eating fruits and vegetables and also do some sport. I like to ride a bicycle or swim. In summer, but in winter I like to go to the gym.

In my opinion, health is an important part of our lives. And we need to save it. If you want to be healthy and fit you can do sport or drink some vitamins.

So, I hope that I have answered on your questions. Dad is calling, I need to go.

Your love,

Ailana

Yes I agree with you I want to buy a new cloather too. I like to wear fashion and style. For me cloather, it will be over shirt, jacket and etc. My favourite cloather shop are De Facto, Oldin and kind world. I like this shop because they make amazing clothes with beautiful and for ~~1-shirt~~ At the moment the modern clothes are expensive. In our country good clothes sell more than a thousand ~~to~~ money. I can meet with you next Sunday. Maybe you get a questions why? Because in this week I will write my summative assessment, I just haven't much time for you. I promise I will go for a walk.

Hello! How are you? What's your study? (I like to what some people in your country about healthy. I know answer your questions.

What do you do to stay fit and healthy? I go to the basketball and I know what do you do to stay healthy. At first you go to often in training. E.g. go to the different kind of sport: basketball, football or just run. I think you can stay healthy if you will eat healthy food. E.g. I eat healthy food and stay healthy. And fit and I like it!

How much sleep do you get every night? I think sleep get every night need in 10-11pm and sleep night need 8 hours. Because this help your health and you feel you good and you'll get more power. E.g. Hello Mollie, it's a very good question because in my town half of people doesn't do any sport to be healthy. I think that it's very bad cause people who don't do sport will have a lot of problems with their health. What about me, I like to sport. Three times in a week I go to the swimming. I have a group of people who go there too. There're twenty people in my group. My swimming trainings start at six o'clock on Monday, Wednesday and ~~Friday~~ Saturday. I almost forget tell you that I go into the gym every Thursday and Sunday. I like to go to the gym because I want to be healthy. That's why I am interested in this. You asked me "how much do I sleep?" And I think I cannot give you an answer because from time to time I fall asleep at 3pm or at 12 o'clock. What about food, I eat very well, I eat my mother's food and to my mind it's the best food in my life. Better can be only my mother or my future wife's food. Anyway my mother ~~isn't~~ doesn't cook healthy food. I wish you to be healthy and you should go to the gym or something sport. I want you to be healthy. Good luck.
