Hello, buddy! How are you doing? I hope everything is okay. I lent your English dictionary last week and I didn't return it back. I want to apologize. I know that this is your grandmother's dictionary and you don't let anybody to lose it. I really appreciate that you trust me with kind of things and I'm really sorry I needed it to prepare for my exams in school. These exams were very difficult for me, considering you felt that ~~English~~ I'm casual and good English is a hard language to learn for me. This dictionary helped me so much and I've passed my exams well. I'm really grateful for your help and understanding my position. ~~I didn't see you yesterday because of my exams, so do you mind if I'll meet today at 12 o'clock approximately and I'll give this dictionary to you?~~ I don't have any plans so I hope you won't have them too. Thanks again for the opportunity to have a good preparation and be best friend in the world as you.

Your friend,

Taisiya

Hello Tom!

I've received your letter. I'm glad that your family is now live in a new house. By description of your house I think it's nice. I hope you like it. What about my flat? It's not very big. There are living room, kitchen, my room and toilet. This flat is not similar to my dream house at all. What would I like to change? Well first of all I would like to live in house, not in flat. In my house there would be two floors. There would be swimming pool, gym and kitchen on a first floor. On a second floor there would be two rooms for children and one room for me and my wife. Also my house would have a beautiful garden with beautiful flowers and bushes. Do you like concept of my dream house? I will be waiting for your response.

With a good wishes,  
Nikita

Hello my friend! I got your message and I am really feel  
sad for you. It's very bad that you don't have much time  
to relax at the holidays. Because I think that we have  
holidays for resting from the school and homework,  
not for the working, as in your situation. In my opi-  
nion, your school is doing wrong.

Answering to your questions, usually we are not  
having any homeworks at holidays. But there are some  
teacher's that can give tasks for the holidays in school.  
Fortunately, it happens rarely.

It talk about me. I forget extra bring about school  
homeworks during my holidays. But I have other things  
to carry about. While the holidays I am rounded by the  
~~household~~ things domestic things. I do the cleaning,  
help to my parents at work. I visit job as much as I  
can and watch after my little sisters. Also I don't  
forget about my self-education. I prepare for  
future exams and improving my English. And of  
course I do lots of sports. Because I really like it.  
I visit a gym and a swimming pool every two days,  
play with friends football and volleyball and lastly  
I like chess playing. By the way, do you play chess? If  
you do, let's play it together sometimes.

Anyway, I wish you a good holidays and good luck  
with your homework!

I had a very exciting day on my winter holidays. This day was 31 December, my parents and we went to the village to my grandparents. We were going to celebrate New Year together.

To begin with, when we arrived, we go to give our gifts to grandparents and other relatives.

Secondly, my grandpa and mother started to preparing dishes for night. I helped a little bit to them and I went to play with my sister who name is Jaxan and my cousin, who name is Amina. We did a lot of games in the snow and fighting with snow balls. Also, we created gorgeous snowman and took so much photos.

Thirdly, I went to my house to chatting and calling by videotele to my friends who started to celebrate New Year's party at house in town.

After this, my family and I watching some TV shows like "Blue Fire", "New Wave" and other. I see a lot of celebration.

When our president said his speech, we started to celebrate "January 1st". It was very interesting and exciting. I understood that one year passed and I was achieved a lot of my goals and began more better and this new year line a new life. I must create new aims and go only to my dreams!

In conclusion, I can say that everyone should dream and do his dreams in real life. To my mind our life start to become more happier, when we start do everything that we want. Our life only in our hands!

**Writing C.**

I had a very exciting day on my winter holiday. The sun was shining and it was cloudy. Me and my friend, Jason, decided to go to the mountains.

As we were approaching the mountains, we saw something but I couldn't tell exactly what it was. Jason suggested to go after this creature. I went 'agreed!' he said. Excitantly, of course, I agreed.

Suddenly, this thing stopped. We heard a frightening roar and it was coming at us. We were in shock! Jason couldn't move and I thought that there were no escape. Fortunately, it wasn't a monster. It was a motorcycle that had passed us. At that moment, we both burst into laughter.

Eventually, we felt relaxed and peaceful. However, this was a very exciting experience that we will never forget.

## Writing

I had a very exciting day on my winter holiday. I was a very enjoy New Year, when let me tell you what it was all about.

I was shopping a lot that day. Me and my mother went to a grocery shop to buy some food for a family table. After we got home, mom was baking a pie, and I was decorating the living room to create the right atmosphere.

After some time we heard a door opening, my dad walked in with a arm on his back. I was staring at him with a smile. When my eyes have noticed something brown in his arms. A cute puppy was travelling from a world. It was beautiful and looking eyes, small wet nose and a very cute tail, that had been wagging everywhere. I should ~~be~~ the puppy love and affection.

That was really the best night ever! I've got a new friend, and he's such a delicious dinner with my family.

 Hello Anur! How are you? I don't do a lot of homework in the holidays. There is so much to do. I am sad that you have it. We have just a few assignments. It's a essay about our holidays. I suppose that teacher wanted us to relax and enjoy our holiday.  
 I am going to visit my sister at Nur-Sultana tomorrow but I am little bit afraid of flights, so we are going there with a train. I am so excited about it. By the way, we can meet each other at that point! It's going to be a crazy holidays.  
 Recently, I am really interested about dinosaurs. I find out that I am more into descriptive and scientific than romantic and living. I want to have my own book following with breathtaking stories.  
 It's been a long time since my cat deceased but I miss him every day. Tommy was such a good boy. I watch cartoons and films everyday so I can stop thinking about him but it definitely doesn't stop as expected. Luckily, my sisters always here for me. They are worried about me but don't let me to overthink.  
 I love them.  
 I am very glad that you started me. Don't overwork and relax for 100 percent. Answer to my letter as soon as you can. I am waiting for it.  
 Sincerely, Dilnaz!

I had very exciting day on my winter holiday. After Christmas, my friend Alex invite me to ~~the~~ the ice city. I accepted his invite. When we were sliding on ice, I seen a little black dog, it about 150 meters from me. Suddenly, black dog start moving from a bird. I understand that it was little dog. I bought a little bit of meat and go to the dog. When I came, I saw little black dog, it was so cold this day, and dog was shivering hard. I picked the dog from my hands. I think it feels better. I gave him a piece of meat, he was so funny ~~and~~. I called my mom and ask her 'Can I take dog home?' She was agree. I was so happy to find him. I found my new little friend Bob.

Hi, Jack!

How are you? I hope that you're not very upset about me not returning you the dictionary on time. I'm really sorry and I want to apologize for that incident. I promise, it won't happen ever again.

The main reason why I forgot about it, is because I was so busy at school, that I couldn't think about anything else. We're having an exam week right now and the Biology decade at the same time, so I have a lot of things to do.

Now to it, I didn't even remember about our family dinner with my grandparents! I felt so bad for not remembering it, but I managed to avoid getting in trouble.

Right now I have more free time and I'm ready to give the dictionary back as soon as possible. Of course, only if you don't mind me doing it right now. My dad can drive me to your school at any time you're comfortable to meet me!

Again, thank you for waiting. I would love to talk more, but I have to go to the gym.

See you later!

Your friend, Kamila.

I had a very exciting on my winter day. My day was so interesting and cool. Now I get to tell about this day. It began as simple day, but then we with my family go to make a snow man and played snow balls. It is was so funny, wasn't even cold. We with my sister and my parents very enjoyed for it. I always dream about this day. I remember it's day a long of time. That winter day was snowy, but sunny and not very cold. This day is best day in my family!

Hello, my dear friend!  
 I am sorry to hear that you don't have enough time to relax in our holiday teacher just gives us the list of books that we must read during this period of time. It is really interesting thing to do instead of actually homework.  
 For instance, my English teacher gave me one book that called *ad man called Joe* and I am really thankful to her for introducing me to this book and author (I would give you the list of my favorite book if you). It only you were not so busy with all that tasks, I would probably give the list of books that you must read in our country.  
 My holiday is also one week long so I try to not waste my time and arrange meetings with my friends. Winter holiday is definitely the most special one because of the New year. Our family always take this annual celebration seriously. We decorate our house as well as the new year's main light the tree. Also we manage to invite our relatives to have feast with us. So it is suffice to say that I have a lot of great things to do. As for you I recommend to attempt to do tasks with pomodoro method. This method requires demands you to do tasks in 25 minutes and rest for 5 minutes. That's how you will be able to do tasks in short time and enjoy your holiday. I am afraid that I have to go busy now.  
 Wish you luck and hope that you will have a great time.  
 Bye

I had a very exciting day on my winter holiday. I woke up at 8:00 o'clock and went ~~to~~ to the park. At park, nobody was. But then saw a dog. The dog played with a cat on the snow. They saw me and started run. Then I met my best friend. He had ball and we decided to play football. Then two guys asked me to join us. I said "yes" and started play. In the evening I went ~~to~~ home and decided do homework. When I did homework I remembered how it was cool and interesting. I think it was the best time in my life.

### Writing

I had a very exciting day on my winter holiday. In fact, I don't like winter at all. But this holiday had changed my mind. I thought I will be sitting at home watching movies and waiting for the end of the winter. However, my family decided to surprise me and we went to the snow park. There were enormous mountains with a snow on its slopes. There were also different ways for entertaining and relaxing. For instance you could ride on snowboard and skiing. It was my first time when I have tried a snowboard. Firstly I was really afraid of this. But when my father began to explain me about this process, I hadn't already felt no fear. All I want to say about this is that it was really dangerous, but at the same time amazing and marvelous. After snowboarding, we visited some cafe near the park. There was really warm and soft. We had a tasty dinner there and then went back home. After returning home I was really satisfied by it. But it wasn't the only one adventure for the day. Then I met my friends and we were walking and playing with snowballs. It was really fun loving. We were talking a lot about everything and we even hadn't notice that our walking time was over and we had to go home. At the end of the day we ordered delicious food and enjoyed with it together. It was the coolest day on the winter ever! I couldn't even notice that it wasn't sad and boring but backwards.

In the conclusion, I want to say that not all that you don't like is always awful and bad. You should just try this and may be you will change your opinion. So I suppose I will never forget this wonderful holiday.

Hello my dear friend Alex How are you? What are you doing right now? How did you spend your winter holidays? We didn't meet for a long time. Do you spot it? I have a lot of good news for you. But I want to tell you about them in real life. In winter holidays you were busy. When we hanged out with our friends you were absent. That's so sad. But I think we can fix that. When will you be free in next week? If you will be free, can we meet? Because I want to see you and go shopping with you. Honestly I grew up for 6 months and I need to change my clothes. Will you help me? Also we can walk in the park and eat a pizza. So, if you agree, we will meet on Saturday at 13:00 in RD. I want to meet you and know about your health, school, parents, etc. Because we didn't have a conversation for 2 weeks. It's very long time for me. Because you're my best friend I hope we will spend funny and amazing time in shopping park, cafe. By the way, I want to buy some T-shirts, jacket and shoes. I'll buy shoes for spring. So Alex, I hope you understand why I want to meet you. If you will come, please let me know. I miss you and very appreciate. Good bye, see you soon!

Best wishes, Dilnaz
