Hello, Mrs. Rose. How's your day going? This is your student from the English class. (~~I'm sorry to~~) I'm really sorry, but I have to say that the book I borrowed from you got lost. I promise, it was an accident. Let me tell you how it happened. Maybe that will help to clear up my intentions.

I was visiting my aunt a week ago. We wanted to celebrate Easter with all of our ~~relatives~~ ^{family}. You know how it is, grown ups hid all of the chocolate eggs. (~~I wasn't re~~) I knew I wouldn't be interested in finding treats, so I got your book with me, to reread everything. But as I went to help my cousin, she was mopping the floors, someone stole the book! I think some kid took it for a gift from easter bunny. Since I left it outside, near a tree. And my cousin hid an egg there. If you leave (~~so, that's the story~~) something at a holiday, consider it's gone now.

So, that's the story. If I could go back in time, i ~~wouldn't~~ not have done that. My aunt said she searched for your book, but couldn't find it. I hope that book didn't have ~~a~~ memories attached to it. I would like to buy you the same one, or send you the whole cost of the book. Please tell me which one suits you the best in your answer. I hope your vacation is going well. (~~Take my sincere apologies~~) I sincerely apologize for my mistake, and I hope you're not too upset. See you back at school, Amina.

Dear Ayum,

I know that I promised you to go for a walk this afternoon, but now I can't go. I'm so sorry for that.

My mom just told me to meet my younger sester after her drawing class and help ^{she} ~~her~~ with her homework. She is so annoying and lazy, so I think it will take so much time. I hope she didn't have so much homework for tomorrow.

So, what do you think ~~about~~ if we will go to the park on other day? I heard it will be concert on next weekend, and weather must be lovely. And I think we can invite Zhenya, if she will have a free time. We also can go to the sinema or coffe shop if you want. I'm waiting for your answer.

With love,

Tanya.

Writing Variant 2
~~*)~~ Гоша!

I know we wanted to go to the park this afternoon, but I can't go now. I was waiting for this day whole week, but I'm not able to walk!

I was going to the shop near my house to buy some bread and milk for my mom when suddenly I slipped on ice, fell on the ground and twisted my toe. It was very painful and I screamed as loud as I could for help but for some reason there was nobody around and I had to go to hospital on my own! When I came there I got medical treatment and was told that I mustn't walk for 2 weeks!

I'm sorry for not coming, but I hope you understand my condition. Let's meet the next month. I think I'll be able to walk then.

Hello my Dear friend,

What's new was happened in your life. I don't want to say it, but something bad has happened with me and I won't be able to meet you today in the afternoon at the park.

Unfortunately I broke my arm and now I am at the hospital. I fell from the stairs and hurted my arm to the door. After that my dad called doctors and they

drove (my) me to the hospital. So, they said that I need to stay there for more than three weeks. You know that I frequently fall into trouble and this white building is as my second home. The room where I lay has ^{the} a big window from where I can see the place we planned to go.

I hope you'll (for) forgive me for this situation. My doctor said that people will be able to meet me after three days. Don't you want to come here in that time? I promise you, after treatment we will go ~~to~~ to the place which is going to open after few weeks.

I hope you are not mad at me
See you soon!

With love your friend Kauson.

Hello, Evgeniya Sergeevna.

I'm writing to tell a sad news. Can you remember the book that I borrowed last week? I've lost it somehow. Please take my apology for it. Maybe I left it on a bench in the nearby park, or just lost it at home, but nonetheless it's gone. To make it up for you I decide to pay for its price again, so you could buy it again. ~~Promise~~ Promise you - that the next time it will not happen again. My future, completely. Sincerely writing for forgiveness, because it would mean a lot for you. Love well.

Shopping centre is a big and beautiful. We like spend time in there, because there are many shops, cafe and cinema.

First, we like visiting different shops. We look at clothes, shoes and accessories. Some times we buy something nice. After shops we go to the cafe. We eat burgers, pizza, and ice cream, usually. It is tasty and relaxing. Sometimes we watching movies in the cinema. The big screen and loud sound make it exiting.

Variation 4. My favorite place to spend time with my friends.

Clearly, all of us have a precious spot where everything seems cozy and comfortable. Talking about me, I can't help but spend my time with my friends at our favorite local coffee shop.

My friends and I mostly enjoy it due to its convenient location near our houses and artistic design. Commonly, it is decorated with pretty flowers and warm lightings, however we tend to love it even more in Christmas season, when colorful decorations make up an awesome feeling of atmosphere.

Additionally, my friends Aliza and Aitana constantly invite me here to discuss recent news and charge up by having been together.

Personally, I like it because of the feeling of security and peaceful environment, where I can just keep calm.

I strongly believe that every individual has to dedicate a small place in their heart for some special spot where you love spending time at.

(*) Dear Friend,

Hi! How are you doing? ~~How~~ I hope that you ~~are~~ are doing well. We haven't seen each other for a pretty long time, and I was hoping that we could meet this time, but... Unfortunately, I can't go to the park this afternoon.

I am very sorry for not being able to come today. My mother's health is the reason why I can't come. She is in the hospital right now, and she is not feeling good. I was very worried about her, so I said that I am going to spend this whole day with her. The doctor said that her ^{disease} ~~illness~~ became worse and she needs ~~more time~~ to lay in the hospital for little more. I was really scared, but then he said that they ~~already~~ ^{already} had found new ~~treatments~~ ^{treatments} for her disease.

I hope that doctors will cure my mom. And I'm really sorry that we can't meet today.

How about meeting at the next week? You can choose the day and time. I will be waiting for your response?

With love,

Riza.

Variant 3.

It was a sunny day, and everything seemed perfect until I heard a loud noise. Me and my friend Julie flinched at first and our heartbeat got faster. Because we saw a dog, barking very loud. Julie is afraid of dogs, especially of big ones, so she immediately hid behind me. I was scared too, but not that much like Julie was. So after a while I suddenly realised that dog didn't seem to hurt us or do something bad. The dog were turning around while barking and I found out that it was calling us somewhere. I stepped few times forward and Julie got surprised and more scared. I explained her that it seems to lead us somewhere. Julie hesitates, but then starts to follow me, while I followed the dog. It suddenly starts running faster, but we followed her straight. I was wondering about place it (will) leads us. Maybe it found something or the dog's owner needs our help. Many thoughts ran into my head, and with each of them I started getting more and more afraid of unknown. After a while we went to the middle of a forest. Suddenly I heard quiet squeaks. It was a dog too. It got pressed by tough tree and the dog was trying to get free as more as possible. But unfortunately it was useless. Me and Julie immediately ran to her. Our hearts ached. It took some efforts to lift the tree up, but we did it. The dog, that leaded us to the forest ran to the other one, and they started rubbing each other as a sign of love and happiness. My heart melted and I smiled widely. The dogs come to us and we caressed them. They were really grateful. Me and Julie will never forget this day.

Writing Variant 4.

Me and my best friend ~~live~~ both live in Krasny Yar. So we walk around this town in the most of the times.

Yes, we some times think that it's kinda boring to walk in the same place as usual, but even so, we end up in the places that we have never heard about!

As years are going by, our two favorite places are the same as they were three years ago. They are both playgrounds, but in other locations and with different structure. Usually, we are used to eat snacks, sharing news and gossips, watching short films, and sometimes laughing at cringe kids there, who think that they're cool. These

are the mainest things why we love our Krasny Yar.

Good ~~by~~ evening, Mr Bucket! 140 words.

Unfortunately, I have lost your book. I am really sorry. I remember how I have promised you to not to lose it. I would not have lost it, if only I was being more careful.

Your book, that was written by Clayton Blaisdell Junior is so interesting, I even wanted to show it to my class mates. However, on the way back to my dorms, the book was stolen. Moreover, my bag got taken too! I cannot even describe how stunned I was, when I noticed that my bag with your book inside disappeared. Of course, I wrote a report ~~letter~~ right after this happened, however, I am not sure if they are going to do something about it.

Tomorrow in the morning, I am planning to go to the book store and buy a new one.

Sincerely,

Bektas Samina

Hi Yannis!

Unfortunately, I can't go to the park today. Because my little sister got ill. Three days ago, she had a walk with her friends but she didn't wear warm clothes in these frosty days. And now I need to stay home and take care after her. My mom have already bought medicaments. But now, she is going to job because her manager called her. She asked me to stay, so this is why I can't go to the park with you. I'm really sorry about this. But tomorrow my mom will be at home so we can go to the park tomorrow maybe at 14:00? Also we can bring Daniyar and Amir with us. They also are free tomorrow because I ~~we~~ have talked with them today. ~~So~~ What do you think? After park we can go to the cafe or maybe to the mall. Also, sorry again. I hope you will like my idea and we all will be able to go for a walk and have fun. Because we really didn't walk together a long time. Bye! See you tomorrow, I guess.

We all have friends, and we usually spend our time at the same places. The main reason for this meetings is having fun. Favorite places for spending time differs for each group of friends. Some of the groups like (playing) sport, so they spend most of their time at sport fields, others spend time at cafes.

The most favorite place to spend time for me with friends is the park. At this park we usually hanging around and talking, joking. If we get tired, there is a lot of seats to rest on. At the park there is a plenty of space to play volleyball. Teenagers stand at the circle and throwing the ball. Once my friend brought a volleyball ball, and we were playing from the afternoon till the evening. Also we can join to the game with random people, but we have never done that because we have one shy friend who always do not want join nevertheless now we convinced him. Only in spring when snow have gone, we go ^{to} the entertainment places like UFO or roller-coaster, because we have been at all of the entertaining places, and they never change. So as we grow up we stopped going to the entertainment places.

I like park, because it's a great place to talk, walk, joke, tell what you have been through. And also it is cheer to hang out there, we buy only drinks or snacks.

There are a million of different places I love spending time at, but my favorite is Disneyland. From the moment you step foot in Disneyland, you get transported to a magical world of wizardry. It captivates you with its breathtaking atmosphere, sumptuous looks and gifted actors. Disneyland feels like a whole different world, where you can escape, and hide from everyone.

There are many programmes there, but me and my friends always choose the Harry Potter one, because it's our favorite movie. The guides take us to the places, and show us things that feel unreal. The place that took a special place in my heart, was the Weasley's market. It reached out to me because it was exactly like in the movie. We can spend a whole year at Disneyland without getting bored. I never thought, I could love anything that much. Disneyland is the only place where I feel free. I can visit it a million times, and always find something new to love.

Writing. Variant 1.

Dear Ms. Clark.

I am writing this letter because something bad just happened. And I am really sorry for what happened.

On 20th of December I have borrowed a Christmas book from you, and on 28th of December I lost it. I apologize for what I did, but this is not really my fault. Before I explain how I lost it let me tell you about flood.

It doesn't fit into the situation but maybe alright? Okay, back to the book.

Before leaving my house, I left the book on the highest spot in my house because we had guests. They were kids and wanted to always rip something apart. So what they did was asking the book from my mom. And she gave them the book. They started ripping it. And when I come back. I saw the book destroyed, I've tried to repair it, but I didn't success.

I am really sorry. I will do something about it. I can pay you money or buy a new book. Just ask me something. I can always get above sixties.

Good luck.

Didya.
