Somebody choosed jump tandem from airplane. But I choosed jump alone and my mom choosed jump alone too. And when we started flight in airplane, we started to study for jump, mom was first, I'm was second. In the air she can't to open parachute, it was very dangerous situations, we was very scared. My parachute was opening and I help her to open her parachute too, I saved her life.

On the ground everybody started to ask me about it, I told them how I can help my mom. This story write on newspapers.
