IV Writing (A) mystery project.

Dear Dinara,

How are you? I hope you're okay. You told me about mystery project, but I wanna know lots of details about next month.

First of all, what materials I'll need? Maybe I need to buy plastic bottles, packets or anything else? You know that my classmates kind of silly, and all works I can do alone.

Secondly, in my opinion I wanna work in a group, but with two or four people. It's a nice choice, isn't it? What do you think? But of course you have your opinion, it's okay. You know that my painting is wonderful so I wanna to help to my friends.

Then, I have another question for you, how much time I'll have to do a mystery project? Maybe three or five days, because I have lots of exams in my English school.

Right now, in my mind I have ten ideas. What can I choose? I really need your help! Maybe we can make "flash card", then sent it to our group chat, ask another student about ideas and improving mystery project.

Okay, and the last one question for today email, what I should prepare in advance? I think you can help me and tell everything that you know. Write soon as you can! Please

All the best,

your student,

Milana.
