### IV. Writing.

A) Dear Mr Adams,

I'm writing to you about the mystery project, that has been told us by you. I would glad to participate in it as I find it quite thrilling and really useful experience. However, there's almost no information about the rules of participating, so I want you to give me a piece of extra knowledge.

First of all, do I need any materials? I haven't ever participated in that kind of projects before, so I do not know what materials are necessary. Could you also let me know what I should prepare in advance? I'm going to be well-prepared as I want to get a good mark for that project.

Secondly, how it will be? It would be great if you told me how much time will I have. As I said before, this is

going to be my first experience of mystery projects. Due to that, I want to know everything about the process. So will I work alone or in a group? It's really important as I am not a good teammate.

I wonder if you answer all my questions.

Sincerely yours,

Darina Dossymbekova.
