Hello, Mr. Thompson

I've been thinking all day of what our or my project will be as you didn't inform us of what theme the project is gonna be, and what materials we will need for it, we already prepared a few such as cardboard boxes, cotton and colorful papers but I really need to know ~~tho~~ what I will need for it so I can prepare in advance and be the best in class! Speaking of class... I got a question if the project is gonna be a group project or a solo project, cause I am excited to work with the new student that was added to our class not long time ago, but I would appreciate if you put me into group of lazy people and get all the applause for myself.

tho i have another question and its about timeline of the project
and how long of a deadline we will have before (giving) presenting our
projects, thank you for hearing me.

Sincerely, Nurkasey
