Writing

A. What is the most useful skill a teenager can learn today?

Do you get nervous when you speak in public? In my mind, it's one of the big problem. And the best reason is to join a debate club. Debating, nowadays, becoming more and more popular. It can help you express your feelings and opinion without any problem.

Firstly, if you start work with this problem, you ^{will} start to be more confident than ever. I have joined to the debate ^{club} in my school since 7th grade. And before seventh grade, I actually I was really anxious, nervous, especially when I speaking in in public. For me, it was the most difficult problem in that times. Then, I have decided to change my class. My new classmates were members of that debate club. So, I chose spending time with new people and beneficial environment. So, secondly, you can meet a lot of confident and

interesting people with big goals on future. Everything comes with experience. Despite, for, a lot of difficult circumstances, I didn't give up. And now, me and my teacher very pleasure for my speech.

To sum up, debating it's necessary environment not only teenagers, but also to people in any age. Thanks to debating you can get confidence and numerous opportunities.
